## TOPICS

- Friction and wear of friction pairs in agricultural, transport and industrial machinery;
- Lubrication;
- Micro- and nano-scale tribology;
- Tribochemistry;
- Bio-tribology;
- Environmental issues in tribology;
- Surface science and coating engineering;
- Tribology in metal processing;
- Simulation of tribological processes;
- Experimental methods in tribology.

## KEY DATES

~~30 June 2017~~ **31 July 2017** – Abstract and registration form submission  
~~15 July 2017~~ **15 August 2017** – Notification of acceptance
